"Help for the desperate, those willing to seek Jesus Christ for the answers in their lives"

We had a wonderful time in the Lord at the 7th Annual Graduation Celebration. We had visitors from our other Mission Teen centers in Alabama, Kentucky, Arkansas and our Executive Director from Michigan. We celebrated, worshipped, ate and had great fellowship all weekend long. What we really celebrated was being free and made new in Christ. "He who the Son sets Free is Free indeed." John 8:36

If you are ready to be delivered from your life-controlling problems, if you are ready for JESUS, then we believe that our program is for YOU. If you are looking for help for yourself or for a loved one, please pick up the phone and call today. 573-371-2020 We will be happy to help or direct you to one of our other 20 Mission Teen centers.

Hello I am Kimberly Townsend (Kimmy). I am 54 years old and was born in St. Louis, Missouri. I am a proud mom of 2 very special men, Mathew Alan Trudell age 36 years old and his oldest brother(who is now with the Lord) Mack Andrew Trudell Jr.(1985-2004). Alcoholism and addiction have been a big part of my life since birth. My parents were both alcoholics and although I was never physically abused by either of them, my childhood consisted of watching them constantly verbally and physically abuse each other. I remember fear and intense worry came upon me when I was just 5 or 6 years old. I was left alone for long periods of time, so I found myself experimenting with the alcohol that was left in the fridge. I would pass out wherever I fell. I never got in much trouble when they came home and found me intoxicated, because after all, they had been allowing me to drink since I was 7 years old on occasion. I lost my dad to lung cancer at the age of 14 years old and my mom was self-absorbed and very bitter towards me. I spent a lot of time with my boyfriend which eventually led to the birth of my first-born son when I was 16 years old. Three years later we had our youngest son and our break up due to alcohol and physical abuse to each other. At age 22 years old, I met my husband we were together for over 30 years. When I found my oldest son deceased from self-inflicted shot gun blast(suicide) I blamed myself and God and my addiction became all that mattered to me. It was my best friend and my worse enemy and I didn't care who I was hurting. I just wanted the suffering of losing of my son to go away. After going to prison 2 times on drug related convictions and then almost a third time in 2022, I came to the realization that I don't have to live like that any longer. I don't have to be bound up to a bottle, or a drug, or prison. I longed for healing and freedom from all the things that enslaved me for over 40 years, and I knew that only the Lord, Jesus Christ could set me free if I would just allow Him. And I knew that I needed help allowing Jesus to heal me. **John 8:32 tells us... And you shall know the truth and the truth shall set you free. And John 8:36 Therefore if the Son makes you free, you shall be free indeed.** So, I called Freedom House and entered the program August 24, 2022. Thank You Jesus for hearing my prayers and answering my cries. Thank You for using the program as a vessel to help me get to know you and learn more about your Word, and Your faithfulness, and Your everlasting love. Thank You for forgiveness and grace. I am now healing from all the guilt, heartache, and addiction. I am healing from being abused and delivered from being the abuser. I'm learning the true meaning of the word love and what it really means to love and be loved and feel love. **John 3:16 For God so loved the world that He gave His only begotten Son, that whoever believes in Him shall not perish but have everlasting Life.**
