"Help for the desperate, those willing to seek Jesus Christ for the answers in their lives."

"Dear friends, don't be surprised at the fiery trials you are going through, as if something strange were happening to you. Instead, be very glad-for these trials make you partners with Christ in his suffering, so that you will have the wonderful joy of seeing his glory when it is revealed to all the world." 1 Peter 4:12,13

We all know that the Bible says we will have trials and that the trials help us to develop endurance. (Romans 5:4) But let's be real, most of us would probably rather not have the trials and just be okay with the endurance we currently have. Actually, the trials help us to strengthen our faith. We can all say that we have great faith, but it's through the trials that what we *say* is actually put to the test. Sometimes the really hard trials break us. That seems like a bad thing, but it's when we are truly broken, and we feel that we can't go on that we have a choice to make. We can either let bitterness and depression get a foothold or we can cry out to God for help.

He is always faithful. God may not always change our circumstances, but He will see us through, and He will never leave us. At first this can seem like little comfort and help, but as we grow and mature, we see the true gift that it is. Trusting Jesus, even when our hearts are absolutely breaking, will bring us through to the other side with a confidence in God that we had not experienced before. This builds our faith for the next trial that comes, and **it will.** We are strengthened, with an unshakable belief that God will never fail us, which enables us to minister to those around us. One of the attributes of Mission Teens is that every staff member came in broken and went through the program. This enables each of us to be able to minister Jesus' love to the heartbroken people that He sends to us. We can honestly say, "we understand" then we let God demonstrate His love, through our faith in Him, to others.

If you are ready to be delivered from your life-controlling problems, if you are ready for JESUS, then we believe that our program is for YOU. If you are looking for help for yourself or for a loved one, please pick up the phone and call today. 573-371-2020 We will be happy to help or direct you to one of our other 20 Mission Teen centers.

My name is **Felecia Brooks** I am 41 years old and from Malden, MO. I have 3 children and I am the youngest child out of 7 kids. My mom was a pastor, and my dad was the one who worked all the time. I was raised in church, but I lost my faith and trust in God when my mom passed back in 2017. I blamed God for taking my mother from me so I stopped going to church and started doing things I shouldn't do. I lost my brother, dad, and sister within three years of each other, so I had completely given up. I didn't want to live anymore, but something kept me I didn't know at the time it was Jesus. God brought me to Freedom House, and when I got here, I was suffering from emotional trauma from years of abuse. Through Jesus I have been healed from anxiety, and He has helped me to love myself and others again. I have learned that I don't need to find love in the wrong places, I just need my loving Father who takes care of all my needs. I have been able to sleep soundly without nightmares. God saved my life and has and has restored my relationship with my children. The Lord answered my prayer for my sister, and she is back to attending church. I am comfortable being myself again and I have my joy back. He is still working on me, but I know that He is with me no matter what. ***I can do all things though Christ that strengthens me. Philippians 4:13*** Thank you Jesus for giving my life back!
