"Help for the desperate, those willing to seek Jesus Christ for the answers in their lives"

Merry
Christmas
from our home to yours

2023 has been an awesome year in the Lord! We have seen many people come to know the Lord this year. We had a short season where we had more empty beds than usual so we did what we know to do...we prayed, fasted and waited. The Lord is faithful, and He began to fill the empty beds with people who are serious about a life change that only He can provide. Praise the Lord. This was a great encouragement to us. We are moving forward with the expansion project and are so encouraged by the support we have received. We are excited to be able to serve more people that need a life change through Jesus.

Tomorrow is not promised so today is the day to get right with Him. As you gather this holiday season, remember to tell others about Jesus. You may be the only chance someone gets to hear the Gospel. We thank everyone for their support in 2023 and are waiting with anticipation for another great year to come.

Grace and Peace to all in the New Year to come!

"The Word became flesh and made his dwelling among us. We have seen his glory, the glory of the one and only Son, who came from the Father, full of grace and truth." - John 1:14

My name is **Kenna Chenoa Cashion**. I am...a child of God. I could tell you about how I was married with kids or how I was teased as a kid, how my family was poor and broken or even how I was abused but all of these things are so small but necessary parts of my life. See I am now a 34-year-old divorced mother of 3 whom after being married and without a husband and home of my own, struggling to become a single parent lost my way, myself, my children and my life. No, I didn't die physically but after years of trauma, mental, physical and sexual abuse, drug and alcohol abuse, I wanted for nothing else but to die. I couldn't see how if I was really supposed to be here how I never seemed to belong. I tried as hard as I could to fit in as best as I could, but nothing worked and then I found freedom at Freedom House. I'd love to say I did great with my newfound freedom, but I'm still human. I was glad to have people around that seemed to care but did they really care enough to love me through it all or would they like everyone else to love me and beat me down or put me on a shelf? Well, I wasn't going to find out. I'd leave before I let them get close. I'd keep some things secret, the things I was ashamed of the most. So, I left, and I realized what I learned there was right. The enemy couldn't wait until I came back and this time, he almost took my life...correction, I almost gave it to him. When I saw my attempt at life again fail, I was right back where I started. I knew what I had to do so I went back to Freedom House where I was welcomed back with open arms and warmth and love. Everyone here has helped me grow in the Lord so much. Now I thank God every morning for sacrificing His Son, Jesus to give me a new life where I know I'm a loved, chosen child of God. **Galatians 6:9 "So let us not grow weary while doing good, for in due season we shall reap if we don't lose heart."** Jesus has changed my heart and given me a new life in Him.

 Our top prayer for 2024 is that the Lord will continue to bring desperate, hungry people to Freedom House and all the Mission Teens centers across the United States. We are also praying for the leaders of the United States and for Israel. Thank you for praying with us!!
