*"Help for the desperate, those willing to seek Jesus Christ for the answers in their lives"*

We are so grateful to God for all that He has done and continues to do. Sometimes we can become so focused on moving forward that we can forget to stop and thank God for what He has already done. This year we are celebrating 22 people who made the decision to seek Jesus for the answer to their problems and 6 people who stayed on to give back and have completed the staff training program. When we come into the program, we feel lost, broken and hopeless. HE makes us whole!

Our brokenness becomes strength in Him. He rebuilds us with the purpose for which we were created and He gets all the glory. Our mistakes become the most valuable part of our story, helping the next lost, broken and hopeless person see the power of what only Jesus can do.

That first decision led them here to begin the process of building a relationship with Jesus and allowing Him to be the director of their life. Completing the program is a true accomplishment. Most of the residents that come to Freedom House are great starters and horrible finishers. To complete the residential program is truly worth celebrating.

We are so proud of what the Lord is doing in each of their lives and we pray that you can come out on March 18<sup>th</sup> and help us honor the Lord and the graduates of this past year.

My name is **Brittany Marie Brewer**. I am 34 years old from St. Louis, Missouri. My mother worked really hard to raise me and my sister. I was in beauty pageants and dance classes. All of that changed in my early teenage years when my father introduced me to methamphetamines. This landed me in and out of several rehabs over the years. In 2008, I found myself in an extremely abusive relationship. One day in 2014, we were both high, arguing and driving down the road at 90 mph. I grabbed the steering wheel wanting us both to die and ended up with a shattered left rib and a permanent tracheostomy in my throat. For years, I couldn't even look at myself in the mirror. I was very angry with God because I was alive and now had to live with a trac. My drug use got worse and worse. My uncle gave me the number to Freedom House and for some reason I called. When I got here, I realized what I had been running from my whole life...a relationship with Jesus that allowed me to love myself and others. I am now able to look at myself in the mirror and find love for myself. Jesus has turned my life completely around. I now know that He allows everything for a purpose and will use everything that happened in my life for His glory. I also have 3 children that are not part of my life but trust His timing for complete restoration. Psalm 116:8 ***"You have rescued my soul from death, my eyes from tears, my feet from stumbling."*** Thank you for reading my testimony.
