“Help for the desperate, those willing to seek Jesus Christ for the answers in their lives”

We are so grateful to God for all that He has done and continues to do. Sometimes we can become so focused on moving forward that we can forget to stop and thank God for what He has already done. This year we are celebrating 16 people who made the decision to seek Jesus for the answer to their life and 5 people who stayed on to give back and have completed the staff training program. When we come into the program, we feel lost, broken and hopeless. HE makes us whole! Our brokenness becomes strength in Him. He rebuilds us with the purpose for which we were created and He gets all the glory. Our mistakes become the most valuable part of our story, helping the next lost, broken and hopeless person see the power of what only Jesus can do.

That first decision led them here to begin the process of building a relationship with Jesus and allowing Him to be the director of their life. Completing the program is a true accomplishment. Most of the residents that come to Freedom House are great starters and horrible finishers.

To complete the residential program is truly worth celebrating!

We are so proud of what the Lord is doing in each of their lives and we pray that you can come out on March 16th and help us honor the Lord and the graduates of this past year.

My name is **Ryan Burhans**. I am 40 years old. I was born in Wisconsin. When I was around fifteen my parents got divorced and I was left alone a lot and I felt rejected. That's when my drinking started. I moved out when I was sixteen and had my first child. The drinking got worse because it numbed the pain of rejection that I felt. I have had many jobs and two marriages that ended due to my drinking. All these years of drinking, I only had one accident. I know it was because the Lord was always with me. My brother and I were always drinking and partying together. A couple of years ago I got a phone call from my mother that my brother was in the hospital dying because of his drinking and that sent me into a deep depression. Rehab didn't work for me, and I felt like there was nothing left for me. Then a friend gave me the number to Freedom House. When I came my motives were for the wrong reasons. I came to please my family. Seeds were planted while I was here but I left before completing the program. I went to be with my family and ended up disappointing them again. It was then that I knew I had to get back to Freedom House to serve the Lord in which I started. When I came back, I was on fire for the Lord and then I got distracted and took my eyes off the Lord. Then I was redirected back to the Lord by His grace. It took me a minute, but now I am back digging in His word, and I am on fire again. So now my heart is full and now I realize Jesus is the only one who can fill me and make me feel this way. I have more joy than ever, and I am eager to help others. Thanks to Freedom House I now know Jesus is all that I need! ***Because of our faith, Christ has brought us into this place of undeserved privilege where we now stand, and we confidently and joyfully look forward to sharing God's glory. Romans 5:2***

Wherefore God also hath highly exalted him and given him a name which is above every name: That at the name of Jesus every knee should bow, of thing in heaven, and things in earth, and things under the earthy; And that every tongue should confess that Jesus Christ is Lord.
 ☞ Philippians 2: 9-11
