*"Help for the desperate, those willing to seek Jesus Christ for the answers in their lives"*

We are so grateful to God for all that He has done and continues to do. Sometimes we can become so focused on moving forward that we can forget to stop and thank God for what He has already done. This year we are celebrating 17 people who made the decision to seek Jesus for the answer to their life and 5 people who stayed on to give back and have completed the staff training program. When we come into the program, we feel lost, broken and hopeless. HE makes us whole! Our brokenness becomes strength in Him. He rebuilds us with the purpose for which we were created, and He gets all the glory. Our mistakes become the most valuable part of our story, helping the next lost, broken and hopeless person see the power of what only Jesus can do.

That first decision led them here to begin the process of building a relationship with Jesus and allowing Him to be the director of their life. Completing the program is a true accomplishment. Most of the residents that come to Freedom House are great starters and horrible finishers.

To complete the residential program is truly worth celebrating!

We are so proud of what the Lord is doing in each of their lives and we pray that you can come out on March 14<sup>th</sup> and help us honor the Lord and the graduates of this past year.

My name is **Garrison Bowen**, I am 27 years old and from Hinesville, GA. I realized I needed to change my way of living when I just lost my job and had no money because of all the drugs and alcohol. It was consuming my life. Over the past 5 years, I have been in and out of Christian programs and lost many jobs due to my anger or other actions. After the last program, I thought I had it all figured out. However, I was still drinking, smoking weed and trying to help my brother who was also in a mess. Living with my brother became harder as our drinking led to more problems. People close to me would tell me that I need to change my ways, but I kept shrugging them off. Eventually, I ended up getting in trouble with the law again due to public intoxication, but I still wouldn't listen. Me and my brother kept on drinking and finally Jesus said enough was enough, after the last drunk fight we had, we both almost lost our lives. I would always ask Jesus to help us; I was never sure if He heard my prayers. Now I know that He did, by the grace of God, me and my brother both went into separate faith-based programs. The Lord brought us both out of our mess at the same time. **Deuteronomy 31:8 says, And the Lord, He is the One who goes before you. He will be with you, He will not leave you nor forsake you, do not fear nor be dismayed.** I have been at Freedom House for over 6 months now and have been delivered from drugs and alcohol. The Lord is working on my anger and my attitude as well. My life and my family's life has been restored, and Jesus will do the same for you! I can't wait to see what the Lord has in store for me as I walk out the path to freedom day by day at Freedom House.

**Our calendar fills up fast. If you would like to have a group come share through worship and testimonies or if you feel led to speak here, please contact Dezirae @ 573-609-1175 to set it up. We would love to come share what the Lord is doing in our lives and here at Freedom House.**
