My name is **Kenna Cashion**. I am 32 years old. I was raised by a stay-at-home mom and a truck driver dad. I was always called a "miracle" baby. I was the first child of their marriage and came later in their lives. We always thought our family looked a little like the Brady bunch. My mom had 4 children from a previous marriage and so did my dad. Being a "miracle" baby, they had given me to the Lord in their hearts before I was even born. The enemy has always been out to get me and my entire family. My dad was taken from us at a young age. I found comfort in a husband and 3 wonderful children of my own. The comfort was short lived. I never had a relationship with Jesus, and I found myself trying to be someone I wasn't. I had my own problems, but I was trying to hold my family and my ailing mom up on my own strength. The enemy used all of this to take me down a deep dark path. I was hurting and turning to anything I could to numb myself and not deal with life. I came to the point of hopelessness where I felt like I failed everyone that I loved and that I was worthless. I know that was a lie from the enemy. What I really am is LOVED. A child of God! Worthy! I finally got to the point of crying out to Jesus for help. He heard my cry and put people in my path that directed me to Freedom House. I have completed the program and stayed on to help others find the love and purpose for their life by showing them what Jesus did for me. I finally have a family that loves me and helps me when I fall short. I am still a work in progress, learning each and every day who I am in Christ. I know John 10:10 in the depths of my heart. **"The thief does not come except to steal, and to kill, and to destroy. I have come that they may have life, and that they may have it more abundantly."** Praise Jesus!!

**JULY NEEDS**

*For July, we are asking you to pray to be a financial blessing to the new building project. The cost of lumber and supplies is up 200% and we could really use the help. We prayed and believe that the vision to expand is definitely from the Lord and we trust Him to provide all that is needed to complete the project. Upon completion, we will be able to house more staff and residents and provide the help needed to hurting people who are ready for a drastic life change through Jesus!*

***Please pray and ask the Lord if you could pledge a portion of your giving to this project.***

We love to pray for people! If you would like to be put on our prayer list, please give us a call and tell us what you need prayer for. One of the greatest things you can do for this ministry is PRAY. ~

Tune in to Face Book Live on Tuesdays at 6 pm for our online prayer meeting
