"Help for the desperate, those willing to seek Jesus Christ for the answers in their lives."

When we face our battles, sometimes we are tempted to fight with the worldly weapons. God gives us different weapons for our battles. We have an enemy- Satan but we cannot win the battle fighting on his terms. God gives us a different set of weapons. Prayer, Worship, His Word, our Testimony and the Blood of Jesus by which we have already won the victory. "For we are not fighting against flesh-and-blood enemies, but against evil rulers and authorities of the unseen world, against mighty powers in this dark world, and against evil spirits in the heavenly places. Therefore, put on every piece of God's armor so you will be able to resist the enemy in the time of evil. Then after the battle you will still be standing firm" Ephesians 6:12-13

True FREEDOM is found in SURRENDER to God and His plans

My name is **Sara Pappas**, and I am 34 years old. I was born in Moscow, Russia. When I was 3 years old me and my younger brother were adopted by a family in New Jersey. Growing up, I couldn't see how God had saved me and how much of a blessing my new family was. I didn't understand how to trust anyone or accept love from my family. I was stuck in a "take care of myself" mentality, I all knew was "survive". I was introduced to alcohol at the age of 16 and it became my escape. I left home searching for love in all the wrong places. I started building my own kingdom but, no amount of money or materialistic possessions could fill that emptiness inside of me. I ended up in Paterson, NJ in an abusive situation, completely broken, suicidal, and full of pain, when I heard God say with a still small voice, "There is more to life." I entered one of our sister missions called the House of Hope in Indiana and for the first time I was shown the love of Jesus. However, it was hard for me to receive, and I kept trying to find love in other places. This led to me being transferred a couple times and coming to Freedom House. All the closed doors, the delays and the desires that were put on hold I now see as God breaking my chains. I thought I couldn't get right but looking back I see how God used it all for His glory. Here at Freedom House, I have the privilege of being a staff member and the opportunity to walk in the new life Jesus has given me. Now I have a family beyond anything I would have asked or imagined. God has restored my voice, my passion for music, art, and my family. **Isaiah 9:5 says, "Every warrior's boot used in battle and every garment rolled in blood will be destined for burning, will be fuel for the fire."** I no longer walk in fear of my past, but instead I use it to fuel the fire within. I have been in the ministry for 2 years this month and nothing has filled me with joy, peace, and love the way Jesus does.

We have a few Sunday's in October, November and December open if you would like us to come and share at your church! We fill up quick so if you are interested, please contact Dezirae @ 573-609-1175. We love to come and share what the Lord is doing here and offer hope through Jesus Christ.
