"Help for the desperate, those willing to seek Jesus Christ for the answers in their lives"

"I will exalt You my God and King, and praise Your name forever and ever. I will praise You every day; yes, I will praise You forever. Great is the Lord! He is most worthy of praise! No one can measure His greatness." Psalm 145:1-3

When you think about the greatness of God, you can't help but bless Him with your praise. Our God is all-knowing. He knows our faults, our sins, our weaknesses, our disobedience and even our rebellion, yet He loves us anyway. He is everywhere at all times. He watches over us and is involved with everything we do. In spite of our daily short comings, He shows us His grace and leads us away from spiritual and physical dangers. **When we think about Him and all that He is to us, we cannot help but bless His name!**

Every year Mission Teens has a corporate praise and worship conference at God's New Life MBTC in Marked Tree, Arkansas. This is a time when all of the worship leaders from each center come together to learn more about worship and how to teach the residents to enter into His presence and surrender to Him.

This year Gary, Brad and Eric were blessed to attend and get a refreshing and share with others.

What a great time in the Lord!!

The 7th Annual Freedom House MBTC Graduation Banquet is Saturday, March 18th. We are so blessed to witness lives being changed daily. We are encouraged by the graduates that have left and went home to be a light in their community. They have learned to apply what they learned while they were here and to continue to put Jesus first in their lives.

"Seek ye first the Kingdom of God and His righteousness, and all these things shall be added to you."

-Matthew 6:33

My name is **Brandon Lee Norman**. I was born in Missouri in 1994. My mother was an alcoholic and had several abusive boyfriends when I was growing up. She loved me the best she could. I ended up getting put into foster care. My mom passed away when I was 12 years old. I didn't know how to cope so I began stealing, smoking and drinking. I went to juvenile detention and when I got out, I had the opportunity to go to college for construction engineering technology. I ended up dropping out because I couldn't stop partying. I robbed a gas station to support my drug habit, as well as robbing my friends, family and random people I met. I went to prison when I was 17 so I basically grew up in the system. I joined a gang and was stabbed and in multiple riots. Somehow, I came out alive. God was always with me. I became the father to 2 children, but I wasn't submitted to God. I went back to jail for stealing a car and while in prison this time, I overdosed on fentanyl. I died in the jail hospital. I was brought back to life-just like Lazarus. I knew something had to change. I was given the opportunity to come to Freedom House. I have been developing my relationship with Jesus. I am learning the importance of obedience and sharing the Gospel. One thing I have learned is that God has been chasing me my whole life now it's my turn to chase Him for the rest of my life. I've been stabbed, shot at, overdosed, and had my head stomped on, as well as been in multiple car wrecks in cars that I would steal and God still wouldn't let me die because He has a big plan for me and whatever it is, it's more important than the plans I have or could ever dream of. Thanks to Freedom House I am learning how to submit to Jesus more and more every day. **John 10:10 says that the thief comes to steal, kill, but I have come to give you life and that more abundantly.** The thief is Satan and I have been letting him steal from me and try to kill and destroy me and I have had enough. From now on I am seeking the Lord and the more abundant life He's talking about.
