"Help for the desperate, those willing to seek Jesus Christ for the answers in their lives."

HOLIDAYS- Everyone is excited about the season. We have our Fall Talent Show on November 21stth, followed by a Thanksgiving Day of feasting and fellowship. Then we jump right into the Christmas season. We are going to be attending several different churches throughout November and December, handing out brochures and telling testimonies about what Jesus is doing in and through us. We will also be presenting a live nativity the week of Christmas. Last year everyone was blessed with the peace, comfort and joy that only comes from Jesus during this busy time of the year and we are looking with great expectations this year. Please pray about being a blessing to us throughout this time. (***Philippians 4:6,7 "Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God; and the peace of God, which surpasses all understanding, will guard your hearts and minds through Christ Jesus."***)

We are so grateful for everyone who supports what God is doing here. We stay busy all the time. We keep our eyes on Jesus and He moves the mountains. The house continues to stay full and God continues to provide.

We have so many people who just want to be a part of what He is doing here.

We cannot express in words how much that encourages us.

*The holidays can be especially hard for some people. If you are ready to be delivered from your life-controlling problems, if you are ready for **JESUS,** then we believe that our program is for **YOU**. If you are looking for help for yourself or for a loved one, please pick up the phone and call us today… **573-371-2020**. We will be happy to help or direct you to one of our other 20 Mission Teen centers.*

My name is **William Weaver** I'm 53 years old and from the Chicagoland area of Illinois. I was the middle child with two sisters. As far back as I can remember my dad was very withdrawn. He came from an alcoholic lifestyle and because of this we rarely spent any quality time together. He stopped drinking when I was in my 30's and we were able to spend more time together. My mom and I had a very difficult relationship. We were close when I was young, but her mental illness and depression took a toll her and all those close to her. I struggled with my identity and self-worth due to the lack of support from my parents. I tried to fit in and make friends, but I found myself seeking acceptance with whoever would answer my plea for friendship. Through all this I didn't realize how my walk with the Lord was suffering. I wanted to be in God's plan for my life, but I had drifted. I knew I needed a change, but I didn't know how. Coming here was not easy, but I knew I needed to be here, and I am committed to finish. Since I have been at Freedom House, I have realized the difference between religion and having a relationship with Jesus. I have grown in my walk with the Lord and realized that it's not just having knowledge it is about applying what you learn. I finally feel like I fit in. I am part of the family here. I know the Spirit is at work in me now from the overflow that wells up inside when I share how my life has changed. ***Revelation 12:11 says, and they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto death.***

Christmas Sponsors Needed

We are currently collecting $65 per person for purchasing gifts.

For many of the people at Freedom House, this will be the first Christmas in a long time that they will spend sober. For some, this will be the first Christmas celebrating the true meaning ...JESUS! We want to make this holiday a great day for each of them. We let the residents make a list of things they want and then we go out and buy the items with the money that is raised, wrap them up and place them under the tree to open as a family on Christmas.

Please pray about being a blessing to us with a sponsorship
