"Help for the desperate, those willing to seek Jesus Christ for the answers in their lives."

Love like Jesus. Is that even possible? When we love like Jesus, it's more than our relationship with Him, it's our relationships with each other. There is an old song that says they will know we are Christians by our love. We can make more of an impact than we can see by simply loving those around us...friends, family, neighbors and even strangers. A simple act of love can show someone Jesus and His love. The world is targeting anger. People are mad at things that don't, and won't ever even concern them, just to be angry. We are called to rise above. Jesus loved Judas so much that the other disciples didn't even know he was the one who would betray him. Imagine that!!

A new commandment I give unto you, That ye love one another;
 as I have loved you, that ye also love one another.

John 13:34 KJV

MORTGAGE PAYOFF 2025

Dear Friends & Family,

As most of you know, Mission Teens has 20 centers across the United States. We have been in business since 1969, nearly 40,000 men & women have entered our ministry. We still have an 88% success rate and attending our program is still free. Over the past several years we have had to yield to the governmental authorities and make some changes to our infrastructure in some cases. We have six outstanding mortgages, and we have two new mortgages we recently had to obtain to remain in business. We are asking for your help to pay off these loans. We really need your help. Please mail your check to Mission Teens Board of Directors Fund, P.O. Box 248, Gaastra, Michigan 49927 (mark Mortgage in the memo) or you may remit through PayPal

My name is **Felisha Thompson**. I am 34 years old and from Lagrange, Georgia. I am the youngest of four kids and had to grow up quickly. My dad was in prison for drugs, so my mom was a single parent, and my brother helped to raise us. I started smoking weed at twelve years old and I was using meth by time I was sixteen. I have battled with addiction most of my life, which led to me going to prison when I was 29 for meth. I was released and two days later went right back to that lifestyle. I knew that there was more to life than drugs and money. I didn't know what to do so I checked into a mental hospital, that's how I found out about the mission. Since I have been in the ministry I have been delivered from all mental health medications, and Jesus has completely restored all my relationships with my family, which I thought was impossible. The Lord has built my faith by healing my dad from lung cancer; after much prayer from me and everyone at the mission, all his tests came back negative, and he was cleared. Thank you, Jesus! **Galatians 6:9 says, "Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up."**

We are so grateful to everyone who helped make this possible. The male staff are officially in their new space! Glory to God! This has been a prayer since we opened in 2016. When we moved the girls out this created the perfect space to rehab to a much better space for the men to live. Thank you Jesus for all you do!!
