"Help for the desperate, those willing to seek Jesus Christ for the answers in their lives"

John 8:12 Then Jesus again spoke to them, saying, "I am the Light of the world; he who follows Me will not walk in the darkness, but will have the Light of life."

Praise the Lord! We have more people in the house than ever before. The Lord has been preparing us for MORE. More people, more desperation for the Truth, more revelation, more of Jesus in our lives. We have been in a season where the phone is ringing off the hook and people are saying the same thing...I need something more! There is nothing more exciting than to see the light of Jesus shining out in such a dark world. We have been blessed to be a witness to the goodness of God in this small community and beyond, thanks to Jesus and social media.

We teach the residents that they are to reflect the light of the Lord in all situations. ***"For once you were full of darkness, but now you have the light from the Lord. So, live as people of light! For this light within you produces only what is good and right and true."*** ***Ephesians 5:8,9*** As Christians in a world of darkness we must remember that we are the ones who are to carry the light to the rest of the world. When we walk with Jesus, we don't have to walk in darkness. He came to destroy the devil's work. He came to set people free. With Jesus, we have freedom and a new life. The kind of life that Jesus brought us is a good life. It's freedom and peace for us. It is a life of freedom from the things that once held us back. It's Jesus that brought us into this new life full of light and that is a wonderful testimony!

*The Lord is my light and my salvation:
 whom shall I fear?
 The Lord is the stronghold of my life:
 of whom shall I be afraid?
 -Psalm 27:1*

Let us never forget what the Lord has done for us. Let us honor Him through praises and being a reflection in this dark world for all to see. Let us all have the boldness to share the Good News with others as the Bible Directs!

My name is **Courtney Freer**. I am 29 years old from Piggott, Arkansas. Growing up, I had a good childhood with 2 siblings, and we were raised by a single mother. My mom tried to make sure that we always had everything we needed. I was raised up going to church, but I just never developed that personal relationship with Jesus that I needed. I started smoking pot in the 6th grade and continued until I was 17 years old. I used to dream about going to college and making something of my life but I threw all that away so I could hang out with friends and party. I got pregnant when I was 18 and my mother also got cancer. She was very sick and kept saying that she wanted to live long enough to see her grandchild born and the Lord was very gracious to grant that to her. She died when my son was 6 months old. After she died, I moved in with my son's grandparents. I was trying to get on the right path and even had another child. I found out when my first child was 10 months old that he was autistic and was going to need special attention. I began to question the Lord, in a state of pity as to why He took my mother and why my son had problems. I know now that God is no respecter of persons Me, my children and their father moved into our own apartment and I thought we were going to be a family, but within a month, I started using meth. It really got a hold of me fast and no amount was ever enough to satisfy me. I eventually turned into an IV meth addict. All we did was fight and this was not good for the children. So, my kids grandparents got custody of my children. I lost my home for the next three years I just spiraled out of control until I heard about Freedom House. I came to Freedom House 11 months ago. I completed the program and have stayed on to give back that love which was shown to me. I have gotten a relationship with Jesus that I so desperately needed. I have gained a family here that I longed for. I tried to step out of His will and do things that I thought I needed to do and He has quickly shown me that I was not ready and today I am allowing Him to continue to heal me and raise me up, standing on the promise that one day I will be ready to be mother to my boys. Today I love the Lord. He has truly changed my life and I give Him thanks every day for it. Jeremiah 29:11 **"For I know the plans I have for you declares the Lord, plans to prosper you and not to harm you plans to give you hope and a future."**
